EDITOR'S NOTE

HATS OFF TO THE CIM REVIEWERS OF 2021

VOL 44 NO 4 DECEMBER 2021

Clin Invest Med. 2021;44(4):E1. DOI: 10.25011/cim.v44i4.37863

For over 40 years the journal of *Clinical and Investigative Medicine* (CIM) has published articles of interest to clinician investigators in Canada and elsewhere. We strive for the highest standards and to remain relevant to our readers, but we cannot achieve this goal without the help of our reviewers, all of whom play a vital role in maintaining the integrity of the scientific process. Without their efforts, academic excellence would falter.

So, a massive “thank you” to the more than 75 reviewers who have contributed their talent and time to CIM over the past year.
